

WHITE MASTERBATCH

PRODUCT DESCRIPTION

We offer a vast range of White Masterbatches with TiO2 concentration up to 80% which caters customer's requirements in opacity, whiteness, processes and applications.

SERVED INDUSTRIES

- Agricultural Films
- Catering Disposables
- Cosmetics & Personal Care Packaging
- Food Packaging
- Household Products
- Hygiene Converting
- Industrial films & Bags
- Nonwoven Fabrics
- Outdoor Furniture
- Paint Packaging
- Medical & Pharmaceutical Films
- Retail Packaging
- Toys
- Waste Management

WHITE MASTERBATCH

FEATURES

Opacity of White Masterbatches containing different % of TiO₂

Whiteness of White Masterbatches containing different % of TiO₂

Opacity, Whiteness, UV Resistance, Blue Tone, and Melt Index of Different White Masterbatches at 60% TiO₂

We also develop and produce customized White Masterbatches to meet product performance and processing requirements not served by standard grades.

Our Technology Center offers innovative technical services and solutions aligned with customer needs. It provides quality control testing, analytical testing as well as troubleshooting services.
